

March 2018

Dear Parent,

Faith Heritage School is hosting standardized testing for home school children in grades 1 through 9 on **Saturday, May 19, 2018** from 9am to 11:30am. The cost for testing is \$60.00 per child.

We administer the Terra Nova Test. The testing provides results in the areas of Reading, Language and Math, which is usually satisfactory for reporting to your local district.

If you wish to have your child(ren) tested, please complete the form below and return it to Faith Heritage School as soon as possible.

If you want us to send results to your local school district, please indicate this on the form below. Some schools require test results to be sent directly from FHS.

We will send you a confirmation notice once your child is registered.

Feel free to share information about this test date with other home school families. Please have them call or email me if they are interested. If there are any questions, please contact me at 469-7777 or my email at fhs@faithheritageschool.org.

Sincerely,

Sue Auwarter
