

Dear Parent,

Faith Heritage School is hosting standardized testing for home school children in grades 1 through 9 on **Saturday, May 16, 2020** from 9am to 11:30am. The cost for testing is \$60.00 per child (checks made payable to "Faith Heritage School").

We administer the Terra Nova Test. The testing provides results in the areas of Reading, Language and Math, which is usually satisfactory for reporting to your local district.

If you wish to have your child(ren) tested, please complete the form below and return it, along with the payment to Faith Heritage School, Attn: Sue Auwarter, 3740 Midland Ave. Syracuse, NY 13205. I will send confirmation to you once I receive your registration.

We will send results to you as soon as we have them. If you also want us to send results to your local school district, please indicate this on the form below. Some schools require test results to be sent directly from FHS.

Feel free to share information about this test date with other home school families. Please have them call the school if they are interested. If there are any questions, please email me at [fhs@faithheritageschool.org](mailto:fhs@faithheritageschool.org).

Sincerely,

Sue Auwarter  
Assistant to Head of School
