

# Pastor's Tuition Discount

for Faith Heritage K-12 Families  
2021 - 2022

*Partnering with local churches and Pastors is an integral part of Faith Heritage School's mission.*

- 1. Program:** To promote the school and to provide a Christian Education to the children of Pastors, at a 40% discount for eligible families.
- 2. Eligible Families Include:** This discount applies to families of full time, Pastors, Associate Pastors, and Youth Pastors of established local churches. *The primary source of income for the immediate family member must be from the ministry position.* Families with dual incomes where the spouse has an income that exceeds that of the pastor are not eligible for this discount. While financial need is not an evaluated criterion of this plan, it is expected that this discount will be sought only when truly needed. If during the school year the spouse secures employment where the annual salary exceeds that of the pastor, it is expected that the family will notify the school to change tuition rates from that point forward.
- 3. Method of Discount:** Total discount for the family is 40% off base tuition. Additional discount programs, such as Flexible Tuition, may not be combined with the Pastor's Discount program.
- 4. Application Method:** To receive this discount, Pastors must fill out the form below, indicating their eligibility and return it to the school. This discount is subject to review and will be awarded at the discretion of the Faith Heritage School Administration.

*A new application must be filled out for every school year.*
